

Anba Abraam Charity Highlights and Developments

Working with love and compassion with a responsibility to serve.

Since 1994, Anba Abraam Charity's vision has been to create a better today, every day, for people in Canada, Egypt and Sudan. We continue to carry out our mission by helping communities prosper. This summer, AAC's continued work with **St. Mary's Food Bank** flourished. The food bank provided for the hungry and got our community involved in the battle against hunger and poverty through hot meals, **Meals on Wheels** and food distribution.
